familiar with court procedure, and believes in giving the public a dollar's worth of work for every dollar's pay. Here is what the Justices of the Highest Court in Kansas say:

"We have found him Capable, Diligent, Conscientious, Faithful and Courteous, and we take pleasure in recommending him." This is what the Judges of the Supreme Court say of him. He worked for them as Assistant Court Reporter under his brother, the late Lew Graham. He asks for your vote on his ability and record. He has a wife and three children; is the son of a veteran of the Civil War and was himself a soldier in the Spanish-American War. He is

John F. Eby

Republican candidate for County Superintendent of Public Instruction, was nominated at the primaries without opposition. This, in itself, is an approval of his services.

Practically all the principals, teachers, and members of the school boards, regardless of politics, are actively supporting Mr. Eby in this campaign. If you are in doubt as to whom you should support for this important office, inquire of those who are directly interested in the welfare of the rural schools.

The opening of schools and other official duties have kept Mr. Eby too busy to see you personally as he desired to do, but your vote for him will be fully appreciated.

FOR

Supreme Court

Ed. C. Little

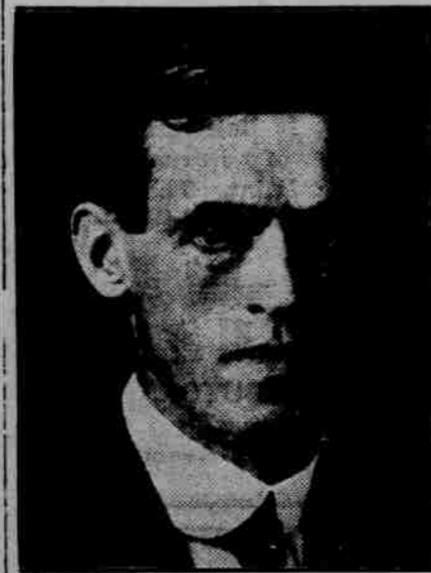

Emporia Gazette, Progressive (William Allen White)—No other Kansas man combines as Colonel Edward Campbell Little does, the scholarship, the legal training, the progressive spirit, the fundamentally democratic view-point. He would strengthen the Kansas Court, and his influence in that court would always be for social and industrial progress.

Kinsley Graphic, Democratic (James M. Lewis)—Col. Edward C. Little has a very wide support among voters of all parties. He is noted as a scholar, author, lawyer and soldier and has enjoyed the advantages of travel. He is recognized as being one of the best lawyers in the state, and is a fine man. His well known probity insures that his decisions will voice the spirit of law and not of prejudice.

Iola Register, Republican (Charles F. Scott)—Col. Ed Little's mind is quick and keen and grasps at once facts and arguments and deductions an ordinary mind would have to "mull" over a long time. He has that most unusual combination, industry and the disposition to dig along with intellectual brilliancy of a most unusual sort. Colonel Little would be an addition and an ornament to the Kansas Supreme Court.

Received 7,141 votes in his home county. A record unsurpassed.
